

Attention Woodheads!

You've booked a great cruise to the Western Caribbean! Enhance your vacation with one of these private excursions selected exclusively for our Woodhead Group! Space is limited, so reserve early. This is going to be fun!

Grand Cayman

Stingray Sandbar & Cayman Highlights

Date: Monday, January 20, 2020 **Port:** Grand Cayman (7am-4pm)

Discover all that Grand Cayman has to offer with an excursion that showcases the island's beauty, fun and history. Your tour begins with a scenic drive to Seven Mile Beach, acclaimed as one of the Caribbean's best beaches. Photos taken, you'll continue on to the Cayman Turtle Centre for a hands-on encounter with green sea turtles. Next is a visit to the Tortuga Rum Cake Center for tasty samples of their award-winning rum cakes. Then, you're off to Hell, a community famous for its eerie-looking black rocks. The last leg of your adventure is a trip to famed Stingray Sandbar. A local Caymanian boat will transport you to this offshore sandbar where you can feed, and interact with dozens of friendly southern stingrays. With a camera filled with memories, settle in and relax on the ride back to port.

Note: The minimum age required to participate is 5 years old. Tour sequence may vary. Stingray Sandbar lies a few miles offshore. Water depth at the entry point from the boat is 6 to 10 feet. Depth on the sandbar averages from 3 to 4 feet. For the safety of the stingrays, fins are not used at the stingray sandbar. A liability waiver handed out by the operator is required prior to participating on this tour. The photo service at some venues is not affiliated with or provided by the cruise line or tour operator. Any photos purchased from this service will be the passengers' responsibility.
